Khalil Khalil

Designer · Photographer · Content Creator · Visual Storyteller

// PROFILE

A versatile creative professional and visual storyteller based in Homs, Syria. Specializing in brand identity, graphic design, photography, and content creation — with a growing focus on cybersecurity awareness and digital risk. Fluent in Arabic and English, working remotely with clients across the Arab world and beyond.

// EXPERIENCE

Freelance Graphic Designer & Content Creator — 2021 – Present

Self-Employed — Remote

- Designed brand identities, logos, and visual systems for Gulf and Arab-market clients
- Created social media content and campaigns (Instagram, Facebook, Snapchat)
- Developed packaging and print design for food & beverage brands
- Produced bilingual (Arabic/English) written content for marketing campaigns

Web Developer & Technical Content Writer — 2022 – Present

Freelance — Remote

- Built responsive portfolio and landing-page websites (HTML, CSS, JavaScript)
- Authored Arabic-language technical training materials on Linux and cybersecurity

Security Research — Race Condition Discovery — 2024

Independent Research

- Documented a race condition vulnerability in an email confirmation workflow
- Produced a full technical report detailing the exploit methodology and impact

// EDUCATION

Bachelor of Law — Graduated

Al Hawash Private University (HPU) — Homs, Syria

- Studied legal systems, civil and commercial law, and regulatory frameworks

BSc Computer Science (In Progress) — 2023 – Present

University of the People — Online

- Studying core CS fundamentals, cybersecurity, and software engineering
